Mega-producing Realtor Russell Shaw is hosting a series of Sales Success seminars for striving Realtors. The purpose of the events is to establish the most vitally-important points to be covered in a sales training curriculum, to be produced in the coming months in audio and video podcasts. Russell will address larger meta-topics and then entertain questions from the audience to unearth smaller but still important sub-topics to be addressed in the podcasts.

The second of these events will be held on Tuesday, April 17, 2007, at the offices of North American Title, 3200 East Camelback Road, Phoenix, AZ 85018. The event will run from 6:30 PM to approximately 9:30 PM, and refreshments will be served. Russell will handle two meta-topics, followed by question and answer sessions, with a break between. North American Title and Worldwide Credit Corporation are sponsoring the event.

If you want to attend, we'd love to have you, but space is limited. This is an opportunity to learn a whole lot even as you help other Realtors learn a whole lot – for years to come. Plus which, it should be a lot of fun...
