

BloodhoundRealty.com's no-promises gut-feelings map of the West Valley's future

Nota bene: All locations approximate. Items noted as "Speculated" are pure blue-sky speculations based on historical real estate development practices in the Valley of the Sun. Don't bank on anything that is not either budgeted, under construction or finished. Notably, the expansion of the SR-85 or the extension of the SR-303 Freeway may be contingent upon what is done with the SR-202 South Mountain Freeway.
